

Welcome Members!

Attached is the chapter schedule for the 2005 calendar year. The executive committee would like to encourage you to help in the revitalization of our chapter. There is tremendous talent, expertise and resources in the HFE field in North Texas, talent that can inspire and motivate self and others to achieve broader skills and knowledge. By networking with this amazing pool of professionals we can grow ever stronger as individuals and as a collective.

With members covering most business sectors representing national and global organizations, we can learn so much from each other. Yes, time is precious and some members travel extensively. But the value of networking and tapping into our vault of cutting-edge professionals is worth the small time commitment. Reach into this vault or make deposits by sharing your knowledge, inspiring others, or driving excellence in our chapter. Only through active participation can this happen.

So mark your calendars and attend our blend of social and learning events. Be involved and help rekindle our chapter.

Best Regards,

Vicki Missar,  
Chapter President

<p><b>Knowledge Cafe:</b> "Knowledge is spendable currency. Spend it freely." –Maya Angelou            These are benchmarking sessions where all members are encouraged to participate, share knowledge, tools and techniques that will benefit others. The goal of the café is to raise the bar in our field, spark new ideas and inspire others. The format is 2-3 PowerPoint slides and can include products, solutions, concepts, designs, approaches, systems, and theories that may be useful to other practitioners. The executive committee will select various submissions for future teleconferences with our chapter members.</p> <p><b>Social Events:</b> These are informal networking events to meet members, friends and family.</p>					<p>*Please notify Vicki Missar or Keith White via e-mail by RSVP Date.  <a href="mailto:vmissar@evolvingco.com">vmissar@evolvingco.com</a>  <a href="mailto:Keith.White@LennoxIntl.com">Keith.White@LennoxIntl.com</a></p>
