MARRIAGE MOMENTS AND PARENTING POINTERS:

Listening is not the same as being quiet. After the quiet must come an effort to show your spouse you understand. If you tend to be the less verbal spouse, make an effort to share your feelings and then show your partner that you understand his or her feelings and position.

Simplifying one's life is not only about reducing expenditures, but also about getting rid of clutter in order to pay attention to what's really important. Are the long hours you work to buy stuff for your children worth the time stolen from your relationship?

PRAYER TO KNOW THE WAY TO PEACE

Father of heaven and earth, hear my prayer, and show me the way to peace. Guide each effort of my life, so that my faults and my sins may not keep me from the peace You promised. May the new life of grace You give me through the Eucharist and prayer make my love for You grow and keep me in the joy of Your Kingdom.

Amen.
