OUR LADY OF GUADALUPE INTERCESSOR OF THE UNBORN

To help stop the anti-life push in the world the late Archbishop Fulton J. Sheen encouraged the spiritual adoption of an unborn child. This is done by praying that one particular but unknown child's life be spared abortion and be allowed to continue to live.

To help accomplish this, it was recommended, and individual say the following daily prayer for a period of one year.

"Jesus, Mary and Joseph, I love you very much. I beg you to spare the life of the unborn baby that I have spiritually adopted who is in danger of abortion."

During your earthly life this spiritually adopted child of yours will be known only to God but in the world to come it is hoped that you will meet the child whose life was spared by your prayers and spend eternal happiness with them.
