

International Director's Note

From C. Connie de la Garza

The Lions of Texas are to be commended for starting up our State Newsletter again! Yes, communications make successes easier. The Lions of Texas have joined the 21st Century!

The Lions of the world as well as the Lions of Texas should communicate the fact that this year is the year of Quality! Lion's International President Behar has stated and we all agree that Quality Lions lead to Quality Clubs who give Quality Service.

We must not forget that Quality Lions also lead to Quality Leadership. Leadership is what it is all about. Look around you! Those districts and clubs that are successful in all respects always have great leaders. This results in good membership numbers. There is no question that every club and District that have positive membership growth have Quality leaders.

Lets show the Lions of the World that the Lions of Texas are for real. We can have a great year in Quality growth if we exert our leadership.

Lisa and I wish you the best! Good Luck!
