

**GOALS**  
**REVIVING THE EXCITEMENT OF SERVICE**

MD-2 Texas Lions  
Council of Governors  
2000-2001

**10 Steps to Secure the Future**

1. We will establish a new trend for the new Millennium by having each Governor attain the coveted 100% status.
2. We will focus on *having fun and sharing fellowship* throughout the year.
3. We will begin the new century by stopping our membership decline with a minimum increase of 100 new Lions in MD-2.
4. We will organize 30 new Lions Clubs and 15 new Leo Clubs in MD-2 as part of our effort to increase membership.
5. We will ask each district to conduct at least one new or current member orientation meeting per quarter.
6. We will ask each district to present at least one quality program per month to each club on district charities in an effort to expand club awareness of Lionistic activities.
7. We will work to identify and to place at the Texas Lions Camp, 2001 campers in 2001.
8. We will encourage and support each Club President and Secretary to become a 100% officer.
9. We will encourage and seek out the involvement of corporate America in our community projects.
10. We will concentrate on sharing the vision of Lionism through the use of all aspects of media interaction.
