

## **YOUTH EXCHANGE – A REWARDING EXPERIENCE. HOSTING OR SENDING STUDENTS**

Fellow Lions,

Winter has arrived and before you know it will be the new year already, Time seems to pass quicker as I get older. Many of the district Y.E. chairpersons are getting out the word on Youth Exchange through their district newsletter and I'm really impressed [GOOD JOB].

Well summer 2001 is going to be just around the corner, and our students deserve the opportunity to go overseas for six weeks to have a GREAT cultural experience. So keep on telling our young ones that the opportunity is still available, just contact your district chairperson and we will get you started. Also we will be needing many hosting families for the Y.E. coming in to Texas for their visit, so call your chairperson and let them know when you are available so we can plan who goes where. Texas summer youth exchange starts the last week in June and returns about the first week in August, this applies to inbound and outbound students. So this is the time frame for you to plan to host for not more than three weeks for one family. Only one warning we need applications in my hands by January 20<sup>th</sup> so I can make the necessary arrangements for hosting.

Well if you need to contact me by e-mail here it is lionsmum@earthlink.net P.S. I'm off to Norway for Thanksgiving, I wonder if they have turkey over there?

Yours in Future Leaders  
Chris Lloyd MD-2 YEC
